AF400M HEPA Air Purifier

ADVANCED MULTI-STAGE FILTRATION
CLEAN AIR FOR OFFICES, WAITING ROOMS AND RESIDENCES

The AF400M features a proven multi-stage filtration system, with MERV8 pleated pre-filters and medical-grade HEPA filters. Mobile, and with a small footprint, AF400M offers superior protection for small indoor areas.

Contact us for more information on complete air purification solutions against airborne microorganisms (bacteria, viruses, and fungal spores), gaseous contaminants, chemicals and odors.

PRODUCT HIGHLIGHTS

- High volumetric flow rate
- Compact design and whisper quiet operation
- Multi-stage filtration system:
